

## FAQ

### **What is the update?**

EVIS-EMG Abu Dhabi 2026 is postponed to 2027 (date to be announced) due to the current regional situation and market uncertainty.

### **Is it cancelled?**

No. This is a postponement, not a cancellation.

### **When will the 2027 date be announced?**

We will share the new date once operational planning is finalized and conditions support stable execution.

### **What happens to existing exhibitor and sponsor commitments?**

We will support stakeholders through rollover options and mutually agreed alternatives. Your account contact will confirm specifics in writing.

### **What happens to speaker participation?**

We will follow up with speakers directly regarding future opportunities once the 2027 plan is confirmed.

### **Will there be interim engagement opportunities?**

Yes. We will share a continuity program (content and curated touchpoints) as part of the transition.

### **Does this affect EVIS America?**

No. EVIS America continues as scheduled.

### **Where can I find the official updates?**

Please refer to the EVIS update page: <https://abudhabi.evinnovationsummit.com/>

### **Who can I contact with questions?**
